

Your PASCHAL invitation to bauma 2019

FN 618/2

Dear Sir or Madam,

Do not miss the opportunity to come to Munich when bauma 2019 opens its gates to the world of Construction Machinery, Building Material Machines, Construction Vehicles and Construction Equipment from **April 08-14, 2019**.

New location: Visit us at **stand FN.618/2** in the **North open air area** – we look forward to seeing you there!

New stand concept – presentation of your benefits in practice: Our new forum will feature daily expert presentations on a wide range of subjects:

- 10:30 a.m. LOGO.3
- 11:15 a.m. BIM in practice
- 12:00 p.m. AR app + PPL 12.0
- 1:30 p.m. Special steel formwork
- 2:15 p.m. Circular formwork
- 3:00 p.m. Occupational safety

Innovations in the outdoor area: In addition to proven products, enhancements of existing products and product innovations will also be on display.

Concept store: Test our new AR app!

BIM: Another highlight is the enhanced BIM-capable formwork planning software PASCHAL-Plan light in version 12.0.

We are looking forward to welcome you at our stand and would like to offer a personal appointment to you. Please contact us at our direct dial number 07832 / 71-242 or e-mail service@paschal.de, Mr Stoll.
